

And What Have You

By BOB CRAIG

All parents who have boys or girls that want to play Little League ball this summer need to become interested in getting the new field at the city park ready for play. Play is to start the end of this month and a lot of work needs to be done and up to now very few have been helping.

If you want your child to play then you need to join in helping provide a place for them to play.

Of course, any others who are interested are urged to help any afternoon after 5:30 but parents of youngsters who will be playing have a special obligation to help.

There is also a lot of work that could be done by some of the youngsters involved if they will go down and help out.

The following is from Raymond Greenwood's column in the *Burk-burnett Informer Star* and will test your ability at mental arithmetic.

"Eight out of ten Americans between the age of 25 and 36 cannot balance a checkbook, and nearly half are unable to fill out a simple income tax form without making a mistake."

So begins an article in a recent edition of *Newsweek*, entitled "How much do we learn?"

There is a lot of concern these days with the nation's educational system and the kind of student it produces, but I can't really go along with the idea that we are a nation of educational infants.

That is about the way recent findings show us in a study by the federally funded National Assessment of Educational Progress.

I'm not sure the average guy could pass the following test, nor his spouse who usually does the grocery shopping. But try it yourself and see.

A housewife will pay the lowest pricer per ounce for ice if she buys it at the store that offers:

- A. 12 ounces for 40 cents.
- B. 14 ounces for 45 cents.
- C. 1 pound 12 ounces for 85 cents.
- D. 2 pounds for 99 cents.

Take your pick. Forty-seven percent of adults who took the quiz were wrong. Don't cheat. The answer is at the bottom of this column.

Idea behind the study is to determine educational achievement in ten areas from science to math to social studies and literature. In short, just what do we know?

To be honest I had to get out a pencil and a pad to find the answer to the above quiz. Don't think I could have done it in the grocery store.

However, there isn't much difference (in the mills) in the price in two categories and a mistaken answer wouldn't be hard to get.

One particular concern of teachers, the article noted, is that teachers want a hard look at the new math. Is it really working?

I had the old method and I still had trouble with the question.

But the study may be worth the effort, if we can only determine if we're getting our money's worth from the \$110 billion a year it takes to run the American educational system. On the other hand, the study may cost more than it's worth, if past federally funded studies can be used as examples.

ANSWER to the quiz above is "C". You'd save nearly a penny a pound over the next best choice, "D". But as we pointed out, that's not much difference, and the larger package (four ounces more) might keep you from having to run back to the store quite as often.

Anyway, why worry? It's only money.

If you wanted to get the comparison down that close you ought to take a pocket calculator with you on the next trip to the grocery store.

If you don't have one, get one. You'll love doing hardware business with your grocer.

Just like mops, flashlight batteries, kitchen utensils and other

Joe E. Ford Is Elected Industrial Foundation Head

Joe E. Ford was elected president of the board of directors of the Hamlin Industrial Foundation at the directors meeting following the annual stockholders meeting held here Tuesday evening.

Ford succeeds Robert Fowler who has served during the past year.

Ford was elected to the board of directors for a three-year term during the annual meeting. John Watts and Bob Craig, whose one-year terms had expired, were re-elected for new three year terms. Mrs. Fred B. Moore Jr. went off the board following her one-year term.

The board re-elected its other officers which included Watts as vice president, S. C. Ferguson as treasurer and Mrs. L. C. Bonds as secretary.

In a report to the stockholders of the Foundation it was announced that the organization had purchased two industrial sites during the past year.

The board purchased the downtown 50-foot front lot belonging to Eugene Knabel for \$2,000 and bought the downtown building that formerly housed Connally Ford Sales from J.P.'s Well Service for \$13,500.

The board paid \$6,732.21 down on the building com-

monly known as the Wilson building and assumed the existing loan. The directors have leased the building until it is needed as an industrial site for \$125 a month.

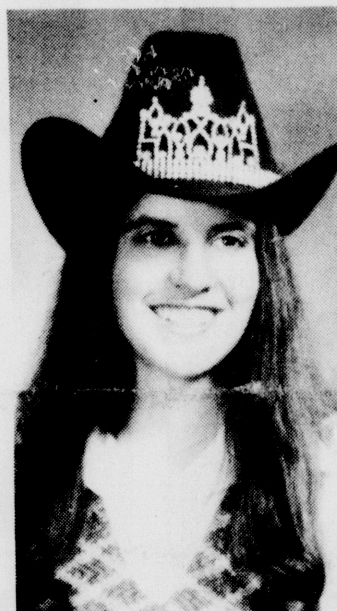

Ferguson, in giving the financial report to the stockholders reported that the organization had collected \$13,135.00 in pledges to date and had earned \$393.92 in interest.

In his report, Ferguson told the stockholders that the Foundation was lagging behind its goal of \$10,000 a year in pledges over a five-year period and was only receiving about \$7,500.00 a year during its first two years.

It was recommended at the stockholders meeting for the executive committee to look into having signs placed on the two properties owned by the Foundation indicating that they were industrial sites and would be available for an industrial prospect.

The directors also recommended that the Foundation pay off the note on the building as soon as the money became available to save on the interest payments.

Other directors on the board include Bill Feagan, Pat Willoughby, and Ray Sonnenburg.

MIGNON WILLIAMS
... H-SU sweetheart

Mignon Williams to Lead H-SU Rodeo Parade

When Hardin-Simmons University students elect their Rodeo Sweetheart they go for the real thing.

They not only want a girl who is popular and easy to look at, but they demand one who sits well on a horse—a genuine Cowgirl type who can represent the school in its best western tradition.

Mignon Williams, for instance.

Mignon, the daughter of Mr. and Mrs. Jackie Williams of Hamlin, fills the complete role this season. She'll literally be in the spotlight this weekend while H-SU is reeling off its 30th annual intercollegiate rodeo.

She will appear in the parade riding one of the school's famed Six White Horses this afternoon (Thursday) and she'll be introduced at each rodeo performance. It will be easy for the crowd to see that Mignon is perfectly at home in the saddle, because she has been riding all of her life.

"I was raised with horses," she said. "We've always had horses on our farm, and I even got one for Christmas when I was a little girl."

And the riding wasn't always just for pleasure. Her father, who is superintendent of the Celotex Corporation Hamlin plant keeps around 300 head of cattle on the family farm 10 miles south of Hamlin. The Williams children, including sister Sonja, now married and living in Houston, and brother Mickey, in school at Hamlin, have actually had to help do the "cowboying."

The youngest member of the family, 14-month old Guy, so far has escaped working, but he has been riding with Mignon.

Mignon, now a sophomore,

The Piper track team will defend their district track title Friday at Ballinger. The District 6-AA track and field meet will get underway with the field event finals at 1 p.m., the running pre-lims at 3 p.m. and the running finals at 7 p.m.

According to the area times the Pipers hold the best times in the district in a number of events with Mack Lee first in the 100 with a 10.0, Charles Brown and Tommy Maberry each have run a 15.2 in the

was attracted to Hardin-Simmons by the Six White Horses.

"We always went to a lot of rodeos, and I'd see the white horses at places like Stamford, and decided I wanted to ride one," she said.

She tried out as a freshman and has been a regular member of the squad ever since.

"It's a lot of fun," she said, "but also a lot of work. For instance, we have to work out at 7:30 tonight, and then ride in a parade and junior rodeo Saturday in Sweetwater."

But riding isn't all there is to college for Mignon. Though her normal campus attire is blue jeans, western shirt and boots, she is majoring in mathematics and physical education, and plans to teach in high school. She also is a member of Delta, women's social club. And it goes without saying, since she won the Rodeo Sweetheart over three opponents in an all-school election, that she is popular on campus.

Boys Little League Tryouts Set Today

Tryouts for boys Little League, ages 9-12, who are not already on a team will be today (Thursday) at 5:30 p.m. at the new Little League field in the City Park, according to Jimmy Spalding, president.

"More workers are also needed at the park if we are to get it ready to play by the end of this month," Spalding said. Everyone interested in the Little League program is urged to come to the park any afternoon after 5:30 to help. Youngsters who would like to help can also be used,

Library Sets Open House Here Sunday

An Open House to honor past presidents and trustees of Harden Memorial Library, 324 Southwest Ave. A, will be held Sunday afternoon from 2 to 3 o'clock to mark the 20th anniversary of the library and celebrate the country's bicentennial.

The public is invited. Mrs. Robert Moore, president of the Hamlin Woman's Forum, extends an invitation from the Forum to everyone to attend to see what progress has been made in the 20 years that the library has been in existence.

The library is open two hours each weekday and a special story hour for pre-school age children is held on Thursday afternoons.

Mrs. Moore announced that the regular quarterly meeting of the Forum will follow the open house rather than having the meeting on Monday evening as set. All officers, members and representatives are urged to attend the business meeting.

high hurdles and Brown also has the best long jump with 21'1". The Piper's 440-yard relay has posted the best district time of 43.7. Delbert Thompson and Robert Phariss rank second in the 440 and pole vault, respectively. Thompson has a 51.9 and Phariss has a 12'6".

The district meet will include both the varsity and junior varsity events.

The Hamlin Junior Varsity track team won the mile relay to take first place in the Olney Junior Varsity meet this weekend.

Hamlin junior varsity results:
100-yard dash: (2) Drew Tomlinson, 10.6; (3) Tommy Maberry 10.9.

220-yard dash: (1) Tomlinson, 24.4.

330-yard hurdles: (6) Vance Lakey 47.7.

440-yard relay: (1) Maro Quintenilla, John Barrera, Maberry and Tomlinson, 46.9.

Mile relay: (1) Quintenilla, Barrera, Thomas Gonzales and Maberry, 3:41.

880-yard run: (2) Gonzales, 2:14.

440-yard dash: (1) Barrera 54.6.

James Barnett Named Local JRB Manager

James Barnett has been named manager of the Hamlin J.R.B. Supermarket. He and his wife, Linda, moved here from Abilene.

Born in San Angelo, Barnett grew up in Big Spring and started working in a grocery store there when he was 16. He attended college in Big Spring and San Angelo. He was an assistant manager for M-System Food Stores in San Angelo before joining J.R.B. in Abilene seven months ago.

Mrs. Barnett was born in England and raised in the United States. She worked for M-System in San Angelo and is now working for her husband in the local store.

Barnett said that they are cleaning up the store and lowering a few prices since moving here two weeks ago.

He said that the company has plans to build a new store here but must build this store back up to justify a new store.

"We are having a 'Come Meet the New Manager Sale' this week and would like everybody to come by and see us," he added.

REPLACING JOE FORD—

Robert Fowler Sworn In As Mayor Monday

Robert Fowler took over the reins of the Hamlin city government Monday night when he was sworn in as the new mayor, replacing Joe E. Ford whose term expired.

Fowler resigned his position as councilman before being sworn in as the new mayor. Outgoing Mayor Ford presided over the opening session of the meeting and concluded the old business before the new council members were sworn in.

Council members sworn in were Richard Young Jr., Luther Haught and Pat Willoughby.

Mayor Fowler's first official act as mayor was to present Ford with a plaque of appreciation for his service to the city as both a councilman and as mayor.

During the business session the council voted to advertise for bids for a new police car

to replace the 1972 Chevrolet now being used.

The council is expected to name a replacement for Fowler as councilman at its

next meeting.

Following the regular meeting the council held a work session on the budget for the coming year.

Pre-School Visitation Day Planned April 29

The annual pre-school visitation day will be held here Thursday, April 29, for all children who will be in kindergarten this fall, according to Larry Butler, principal.

Each child attending the visitation day is asked to be at the primary building by 8:35 a.m. Lists will be posted on each kindergarten and first grade door and the child will visit the room where he finds his name, Butler said. "This does not mean your child will be assigned to this room when school begins in August," Butler added.

Each child will need to bring 60 cents to eat lunch in the school cafeteria. All visiting pre-school children will be dismissed promptly at 1 p.m.

"There are several children who will be enrolled in kindergarten next year already enrolled in various classes in the school. These children will attend their

regular classes and with the exception of early childhood class, will not attend pre-school day," Butler said.

Parents of enrolling kindergarten children are welcome to visit school and eat lunch on Thursday. The price for an adult meal is 90 cents and the lunch room begins serving at 11 a.m.

"Each enrolling kindergarten student will receive a letter showing the completeness of his enrollment. It is hoped that each parent will read this letter carefully and bring with them on April 29 the records needed to complete their child's enrollment, as no child can enter a classroom on the first day of school without complete records," Butler said.

For complete records, a child must have a state birth certificate, (a hospital or baptismal certificate cannot be used), the three series shots for diphtheria-whooping cough-tetanus, the three dose series for polio, one Rubella (measles), and one Rubella (three-day measles) and a social security number.

Pre-school day activities will include "The Pied Piper of Hamlin," a program put on by the kindergarten music class under the direction of Miss Reba Jackson, school music teacher.

The Parent-Teacher Association members will assist the school personnel with registration and help the teachers in the classrooms.

Project Alert Still Needs Money For Department Set

The Garage Sale for Project Alert has raised \$168.76 of the \$275.00 goal to purchase a base station for the Hamlin Police Department, according to Frances Bray.

Project Alert is a citizen band radio project organized in Jones County to assist area law enforcement officers.

Donations to the fund are still needed and may be given or mailed to Frances Bray, 122 N.W. Sixth, or contact her at 576-2748 for more information.

The Hamlin Police Department expresses thanks to the citizens for taking part in the crime alert program which is being organized and for the donations made for the C.B. base station, Chief Ed Wheat said.

The new base station is set up in the Hamlin Police Station and Channel 9 is being monitored 24 hours a day, he added.

United Way Meeting Tuesday

The Hamlin United Way will hold its annual Directors Meeting Tuesday evening at 8 o'clock in the city hall conference room.

All directors are urged to attend.

Rainfall recorded during the past week was .29 on April 15; 1.03 April 16 and .11 April 17.

Democrats to Vote On Delegates On May 1

When Texas Democrats go to the polls, May 1, they will be faced with something new - an opportunity to select

delegates to the National Democratic Convention. Previously these delegates were named at the state convention.

Voting in the Texas primary will not be for the presidential candidate directly, but for delegates pledged to the candidate.

In the 30th Senatorial District, three presidential slates have qualified. Each slate has three delegate candidates. One cannot vote a straight ticket by just placing an "X" in one of the boxes. Each delegate candidate must be voted for individually.

The voter is not bound to vote for all three delegate candidates pledged to one nominee. He may, if he wishes, choose any combination of three of the nine delegates. These nine delegates and the presidential candidate they are committed to are listed here:

Ray Farabee delegate for Lloyd Bentsen, Marguerite (Mrs. James) Snyder delegate for Lloyd Bentsen, and Charles W. Stenholm delegate for Lloyd Bentsen.

Delano Shaw delegate for Jimmy Carter, Joyce Powers delegate for Jimmy Carter, and Barbara Dallow delegate for Jimmy Carter.

Mrs. Harold (Grace) Campbell delegate for George C. Wallace, Allen Harp delegate for George C. Wallace, and Jack Roberts delegate for George C. Wallace.

Pee Wee League

A Little League Meeting will be held Tuesday at 7:30 p.m. in the high school cafeteria for parents of Pee Wee league age boys, 6 through 8 years.

Parents are to bring a registration slip obtained at school and \$1 for each boy registered.

The boys in the Pee Wee League must be six by August 1, 1976, and cannot be nine years of age by that date.

JOHNNY CASH
... stars in film

Johnny Cash Film To Be Shown Here Sunday Evening

The story is old, but the perspective is up-dated and brought into sharp focus by the film "The Gospel Road" to be shown Sunday at First United Methodist Church. The showing will begin at 6:00 p.m., according to the pastor, the Rev. Jim Smith.

"The Gospel Road," distributed by World Wide Pictures, was conceived and produced by Johnny Cash and his wife, June Carter Cash, whose desire was to tell the story of Jesus Christ in a realistic and meaningful way.

The film is a unique blend of scripture-based narrative, an abundant supply of specially written songs, and a series of in-depth character portrayals, with Israel itself as the mixing bowl.

"You are there, walking beside the Jordan and the Sea of Galilee; you are there, seeing Him in many human situations that establish a practical and personal rapport with every viewer," advance advertising proclaims.

The public is invited and urged to attend, Rev. Smith said.

the
gospel truth
by Bro. Marshall Townsley

"Who shall separate us from the love of Christ? Shall Tribulation, or Distress, or Persecution, or Famine, or Nakedness, or Peril, or Sword? Nay, in all these things we are more than conquerors through him that loved us." Romans 8:35, 37

We that have named the name of Christ, the Body of Christ, are more than conquerors. Praise God! In this scripture reference we see clearly that tribulation, distresses, persecutions, famines, nakedness, perils or wars shall not have dominion over us, but through Christ we shall conquer them.

In the book of Revelation chapter 1, verse 6, the Holy Ghost states that Jesus hath, past tense, made us KINGS and priests unto God. Let me share a key of successful Christian living with you briefly. WE MUST SEE OURSELVES AS GOD SEES US! As born again men no longer are we "just old lost sinners", but we are brand new creatures, spirit filled believers of God's Word.

In the scripture we just quoted, God says we have been, NOT WILL BE SOMEDAY, made kings. Hallelujah! Let's look at this spiritual reality in the light of Romans 5:17. "For if by one man's offence death reigned by one; much more they which receive abundance of grace and of the gift of righteousness (that's us)

shall REIGN IN LIFE by one, Jesus Christ." Now Paul by the Spirit of God uses this word reign because in his day they were governed by kings. It is a known fact that when the king spoke it became law and judgment. He that hath ears to hear, let him hear what the Spirit of God sayeth.

We, as believers, have been called kings by God himself and by the above scripture we see we are to reign in life. Praise God! We as Christian people are to be ruling over the powers of darkness and the evil circumstances caused by them. We are more than conquerors through him that loved us.

I admonish you by the name of Jesus to take your rightful authority over the evil that befalls you day by day. Do it in faith by the name of Jesus. God has declared that his Church be free from bondage and rulers over the powers of darkness in THIS LIFE. Church take your position that Christ has bought for you at the great price of his own blood.

This Sunday afternoon at 2:30 P.M. we will be meeting in my home at 1150 So. Central. I would like to extend to everyone a special invitation to come and worship and adore Jesus, Our Redeemer.

We would like to pray with you. We will believe God!

FROM THE FILES . . .

FIFTY YEARS AGO

(April 16, 1926)
From here "out" please tell your friends and all who want to take the nearest route from Fort Worth to the West to seek the Airline Highway. Tell them it is being mapped, it really exists, and the nearest and best road is through Mineral Well, Breckenridge, Albany, Stamford, Hamlin, Rotan, Clairemont, Post, Tahoka, Brownfield, Plains and to Roswell.

This Highway Organization has been under formation for some time. It began on the plains and extended to Post, and the last few weeks Clairemont, Rotan, Hamlin and Stamford have busied themselves in joining with the plains people in laying out an airline route to the east. The final step of getting an organization was taken Tuesday night at Post when delegates from all the towns west of Stamford met and picked directors and appointed an Executive Committee. And at this Post meeting Tuesday night the highway was also named, "Fort Worth-Roswell Airline." It is good lay-out and will soon develop into one of the leading cross-county roads, making an attractive route from any point in the East across Texas and into New Mexico and down to El Paso.

KYLE, Texas, April 12-The Kyle Parent-Teacher association gave a most interesting and enjoyable entertainment at the school building Friday night.

The most important feature of the occasion was an address by Dr. Frederick Eby, dean of education of the State University, whose subject was "Rearing a Family in a Jazz Age," and which was spoken primarily to parents.

Dr. Eby called attention to the many changes that have come over family life in the past generation. "The parents," he said, "are very busy-too busy to give proper attention to the rearing of their children in the present environment. The result is the young people have thrown away all conventionalities, have rebelled against all restraint, all constituted authority. The courting, the speaker said, was formerly done in the parlor. Now there are no more parlors. The courting of today is done in an automobile, heaven knows where. The young people of today do not think, they do not reflect-they haven't time for such things. The girls of today have men as their ideals instead of women. They cut their hair like men, they act like men."

TWENTY YEARS AGO

(April 12, 1956)
Expansion of the Hamlin Memorial Hospital by almost one-half its present floor space is planned for the near future, it was announced Tuesday by W. L. Fletcher Jr., chairman of the board of the corporation owning the institution. Estimated cost of the additions has been set by architects at \$60,000.

The expansion would include a new east wing to the present structure, which would house a clinic for the doctors who have been leasing the hospital from the publicly-owned institution; plus consultation rooms and special rooms for maternity cases. At present the doctors' offices are located in the main section, east of the waiting room. These rooms would be converted into patient rooms and a nursery.

The new east wing would contain 5,282 square feet. An additional annex would be constructed north of the present kitchen, to house the hospital kitchen, and the present kitchen space would be converted into a dining room.

Fletcher stated that the three doctors who have the plant leased have agreed to an

increased lease for 15 years following completion of the proposed expansion.

A loan for the necessary funds has been tentatively arranged by the hospital board with the Jefferson Standard Life Insurance Company, which holds the present outstanding bonds, of \$15,000.

Drafts of the proposed additions and alterations are now in the hands of architects for final revision, Fletcher said.

Students of Hamlin High School walked away with the top spot in literary events of the Interscholastic League last weekend by scoring more points than the other four schools competing combined.

Hamlin winners include Ready Writers-Joy Cary, second; Debate-Judy Brandon and Ginger Means, first; Clarence Parker and Rodney Spaulding, first; Typing-Elizabeth Norton, second; Cel Albritton, sixth; Linda Carlton, seventh; Shorthand-Joy Cary, second; One act play-first; Spelling-Ginger Means and Elizabeth Norton, first; Senior Declamation-girls-Beth Nellies Johnson, third; Judy Harden, fourth; boys-Bobby Beale, second; Ex-temporaneous Speaking-Joe Stephens, second; Poetry Reading-Ken Hewett, first; girls-Evy Wallace, first; Junior Declamation-Glenda Hill, second.

TEN YEARS AGO

(April 14, 1966)
The citizens committee appointed by the Hamlin School Board to study the building needs of the school system favors the building of a new high school or junior high as the best of the four alternatives presented to it, according to the report that is to be presented to the Board of Trustees tonight.

The committee favored Plan IV which is the recommendation to build a new building near the football stadium on the land owned by the school.

Mrs. Joe Hudspeth was hostess for the Hamlin Garden Club meeting Friday afternoon. The program was directed by Mrs. Arlie Cassle.

Mrs. Dick Maberry gave a reading, "Flower Show."

Mrs. LaFoy Patterson presided at the business session.

F. Barry Moore was named to membership in the American Hereford Association, the world's largest purebred registry organization with headquarters in Kansas City, Missouri.

Larry Braley and Terry Sutton will be licensed to preach at special services Sunday evening at 7 p. m. at North Central Avenue Baptist Church.

The church deacon body will be taking part in the service and the challenge will be by George Campbell, chairman. Also taking part will be the pastor, Rev. Bill Irwin.

Put on the Full

Armour

"Wherefore take unto you the whole armour of God" . . .

In Paul's letter to the Ephesians, he makes a comparison of the children of God and warriors. He says that our loins should be girt about with truth, and having on the breastplate of righteousness. He makes many more comparisons that exhort us to a proper life. Another thing that Paul urges is that we gather together and worship the Lord. No part of our armour is greater than regular church attendance. Much strength for the week is derived from worshiping with others.

Complete your suit of armour . . . attend church this week.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

in the talent contest and Haskell was third.

The winners will go on to both Area II sweetheart contest and talent competition in Lamesa May 7 and 8.

Roby and Hawley FFA tied on the sweepstakes award. It is based on how the chapters scored points in the leadership and judging contests.

Anson and Hamlin tied in the Building Our American Communities award. Anson also got the chapter safety award. Superior chapter rating awards went to Anson, Aspermont, Hamlin, Hawley, Rotan and Stamford.

Miss Mehaffey of Hamlin, district president, presided at the banquet. Bennett Cook of Aspermont, Area II president gave the invocation.

Leadership banners and judging contest awards were presented during the banquet.

Hamlin placed third in the FFA quiz and second in the cotton judging coanstest.

Aspermont was first in the junior farm skills, second in farm radio, third in senior farm skills, third in livestock judging, and first in dairy cattle judging.

Mr. and Mrs. Bobby Caldwell and Matt visited his parents Mr. and Mrs. R. D. Caldwell and all went to Dallas over the Easter Holidays to visit relatives.

Hamlin High School Happenings

(Compiled each week by the HHS Journalism Class)

The Piper Band, 105 Hamlin students and Director Tim Jones, will be competing in the Amarillo Band Festival Thursday, April 29.

The group, along with six adult chaperones, will leave Hamlin at 1 p.m. Wednesday, April 28, by chartered buses and private cars. The stage band plays Thursday at 9:50 and the concert band at 11:50. Solo and ensemble competition is slated for the afternoon at Amarillo and Caprock High Schools, before the Pipers begin their return trip about 6 p.m. Thursday.

Numerous Texas Oklahoma and Kansas bands are scheduled to perform at the four-day festival.

hhs

All students in the Hamlin Public Schools will enjoy another holiday from school tomorrow (Friday), while the teachers will be involved in in-service training.

This will be the last week-day holiday until the end of this school year May 28.

hhs

Sue Sellers, president of the junior class, announced last Thursday that the junior-senior banquet and prom have been rescheduled for May 11 at 7:30 p.m. due to a

conflict with U.L.L. and track competition on the proposed date of April 30.

Sue also noted that juniors planning to attend must purchase tickets from Cheryl Baker for \$2.00, which covers both the banquet and dance afterward. Seniors are traditionally invited free.

Student members of the organizing committee with Sue and Cheryl are Jan Ford, Elise Kelley, Cindy White and DeDe Young.

Also aiding in the preparations are junior class parents Mr. and Mrs. Gerald Young, Mr. and Mrs. Delton Jackson and Mr. and Mrs. Rex Reynolds.

Girls Track Team To Compete At Regional Friday

Six members of the Hamlin girls track team will be competing in the Regional meet Friday and Saturday at Odessa Junior College. The field events will get underway at 2:30 Friday with the prelims in the running events starting at 4. The finals in the running events will be held Saturday at 1.

The girls qualified in six events with both the 440- and 880-yard relay teams, the 220-yard dash, the 60-yard dash, the 80-yard hurdles and the triple jump.

First and second place winners in the district meet qualify for the regional meet.

Running on the 440-yard relay team that placed first at district will be Elizabeth Hooper, Barbara Hooper, May Ruth Brown and Doris White. The first place 880-yard relay team is composed of Cheryl Baker, B. Hooper, White and Brown. Brown took first in the 220-yard dash at district while E. Hooper took first in the 60-yard dash. Stacy Bell will be running the 80-yard hurdles at regional after taking first at district and B. Hooper qualified for the regional meet with a second place in the triple jump.

Sweetwater Rites Held Monday for Former Resident

Willie Odessa Gabel, 76, of Sweetwater, a former Hamlin resident, died at 8:45 p.m. Saturday in Simmons Memorial Hospital after a brief illness.

Service was held at 2 p.m. Monday in McCoy Chapel of Memories in Sweetwater.

The Rev. Roy Brashear, pastor of Central Baptist Church, officiated. Burial was in Afton Cemetery near Hamlin.

Born Dec. 2, 1899, in Eastland, Mrs. Gabel was a member of Central Baptist Church.

She married Robert P. Gabel March 2, 1930 in Rotan. He died in 1942.

Survivors include a son, Robert of Sweetwater; five brothers, Claude and Charles Marchman, both of Hereford, Henry Marchman of Abilene, Finis Marchman of Groom and Wallace Marchman of Panhandle; four sisters, Dollie Phipps of California, Mrs. Bernie Smith of Hamlin, Lucy Livingston of Stephenville and Berta Babek of Tenaha, and two grandchildren.

Nephews serving as pallbearers were Muriel, Austin and Joe McKinney, all of Rotan, LeRoy Marchman of Borger, Durwood Smith of Brady and Glen Gabel of Rotan.

McCaulley School Conducting Survey

During the month of April as a part of an evaluation study required by the Texas Education Agency, a survey will be conducted in McCaulley of the community school personnel and students in setting up district learner goals for the McCaulley Independent School District.

Edd Farmer, superintendent of McCaulley ISD, made this announcement Tuesday.

Funeral Services Held Tuesday for Kenneth Pinson

Funeral for Kenneth Earl Pinson 19, a native of Aspermont, was held at 2 p.m. Tuesday at the Central Baptist Church in Aspermont.

Pinson was found dead about 9:30 a.m. Sunday in a pickup truck at a rifle range west of Sweetwater near the municipal airport.

Nolan County Sheriff Joe Slater said Pinson apparently was shot once in the head with a .22 caliber rifle. A ruling is pending receipt of the findings after an autopsy which was ordered by Justice of the Peace Thomas Greene of Sweetwater.

Slater said Pinson was found by a cousin, Kenneth King Jr. of Sweetwater.

The Rev. James Woods, pastor, officiated.

Born March 3, 1957, in Aspermont, he had lived in Sweetwater since January of 1975. He was employed by Big State Welding Company.

Survivors include his mother and stepfather, Mr. and Mrs. Cecil Walker of Hamlin, his father Curtis Earl Pinson; a brother, Leon Walker of Hamlin; two sisters, Linda Ann Pinson of Sweetwater, Cynthia Walker of Hamlin and a grandfather, Dee King of Aspermont.

Burial was in Double Mountain Cemetery under the direction of McCoy Funeral Home. Pallbearers were Ray Dobson, Ted Ross, Tommy Gardner, Teddy Ward, Rick Johns, Jimmy Cooper, Pablo Carrillo and Woody Cunningham.

Dinner Sunday

The Deaconess Board of the Oak Grove Baptist Church will host a buffet-style lunch after church Sunday, according to Ruth Bussey, president.

The menu will include: turkey and dressing, cranberry sauce, green beans and potatoes, candied carrots, fruit salad, rolls, assorted pies, coffee and tea.

Price per person will be \$2.25.

Insect Scout Job Applications Now Being Taken

Applications for insect scout jobs are now being taken in the County Agent's office for the pest management program in Jones County, says Jones County Extension Agent Kirby Clayton. The job will

Why take LESS?

You work hard for your money. So, why shouldn't you expect your money to work as hard as you. Before you open a savings account, compare the annual yield you will receive with Sweetwater Savings' annual yield on savings. Not all savings rates are the same. Not all financial institutions compound earnings daily. Therefore, the effective annual yield will vary. So, before you put your hard earned money to work in a savings account, be sure it works as hard as you do. Nobody but nobody pays more on FSLIC insured savings than Sweetwater Savings. Rolling Plains PCA Sets Stockholders Meetings

More than 800 Farmers and Ranchers, served by the Rolling Plains Production Credit Association are expected to attend the Association's 42nd Annual Stockholders Meeting in Childress and Stamford, April 23 and 24, respectively.

Stockholders, their wives and guests of the Matador and Childress Office area will meet Friday, April 23, at 9 a.m. at the Childress City Auditorium.

The second session will be held in the Stamford High School Auditorium and will be attended by stockholders, wives and guests of the Munday, Spur and Stamford Office area Saturday, April 24, at 9 a.m.

A highlight of the meeting will be the election of one director by the Association's membership to fill the place held by Lasater Hensley of Guthrie, who has declined renomination. Fred Neaves and Willard H. (Snooks) Williams, both of Spur, have been nominated to fill this vacancy.

According to R. C. Cobb, the Association's president, keynote speaker for both sessions of the meeting will be Norman Brints, Area Economist Extension Service of Vernon.

The Angle Sisters, recording artists of Knox City, will provide entertainment at

Judy Contreras Is Elected

Miss Judy Contreras, daughter of Mr. and Mrs. Trine Contreras of Hamlin, was elected to serve as 1976-77 senior class secretary at Hardin-Simmons University, Abilene in a class election.

Miss Contreras, a junior elementary education major, is a member of United Mexican American Students and Celebration Singers, the Baptist Student Union Choir. She is a 1973 graduate of Hamlin High School.

Scott Knox Is District Officer

Scott Knox of Sweetwater, formerly of Hamlin, was elected governor of Key Club, junior Kiwanis club of the Texas-Oklahoma District.

A Sweetwater high school sophomore, he is the son of Mr. and Mrs. Scotty L. Knox. He was installed in Fort Worth last weekend at the Key Club district convention. He will serve a year term. He will attend the national convention of Key Clubs in California in July.

Philosopher Afraid Somebody Will Come Out With New Game And Ruin Economy

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One has found something odd to worry about.

Dear editor: Everybody knows it takes more and more money to keep your head above water these days, some government statistics claiming it takes \$15.00 a year for a family of four.

Therefore there's a problem that's been worrying me. Somewhere in some attic or laboratory some guy right now may be thinking up a

new game. Let me explain.

As you know, our forefathers 200 years ago didn't have to put up any basketball hoops or lay out any football fields and build stadiums, as those games weren't invented then. I don't have the figures, but it takes millions and millions of dollars a year to finance football, considering all the fields, stadiums, uniforms, coaches, bonds, pep squads, etc., not counting all the tickets the public has to buy, from grammar school through high school and college, plus the pros.

All right, say some odd character invents a brand new game, one that sweeps the country like football and

basketball, but one that requires all new and different facilities, costing as much as football stadiums and basketball gymnasiums. With nearly every town and

school in the country scrambling for money to barely stay even, think what would happen to their budgets if they had to pay also for this new game.

It ought to be nipped in the bud right now. Congress ought to pass a law outlawing any new game to be invented for at least the next 50 years.
Yours faithfully,
J.A.

Will Rogers Says . . .
"Say, did you know they arrested a girl here in Hollywood the other day? She was driving down our main thoroughfare with nothing on but a heavy tan, not a stitch. A modern Lady Godiva, this. But that lady had a horse, and she had a mane longer than the horse's. But this one here the other day didn't even have the advantage of long hair and she had traded her horse for a roadster."

"Course, this is all from hearsay. I would miss it. I think they let her go, for it's awful hard to tell when a woman is nude nowadays, and when she is fully clothed."

"And if the worst come to the worst, she could always say it was an evening dress."

Annual Neinda Reunion to Open Sunday Morning

"Don't forget the 25th Annual Neinda Reunion, to be held Sunday, April 25," remind the reunion trustees. Cards were not mailed to Hamlin and local residents; just consider this another personal invitation to be present, they said.

A short business session will be held to discuss reports on Neinda Cemetery financial status.

"Come and enjoy a few old time songs, and a lot of fellowship," says Sam Hodges, chairman.

Lunch will be catered at noon at the community center.

Civil Defense Meeting Set Friday Evening

A meeting has been called for Friday evening at 7 o'clock in the city hall conference room to re-organize a Civil Defense group for Hamlin, according to Frank Shearer.

All past members and others interested in joining are urged to attend the meeting.

"A good civil defense organization is vital to a community, so join up and help get it together," Shearer urged.

MEET THE BRUSH CONTROL ACES!

TORDON* 225 Mixture and Charles Brumley can help you win the war against brush.

Charles Brumley is an experienced, professional applicator. He is qualified to supervise the application of herbicides in compliance with local regulations, Charles Brumley, his crews and equipment are licensed by the Texas Department of Agriculture. He's an approved applicator of Tordon 225 Mixture Herbicide—one of the Brush Control Aces. He can help you win the rangeland war against brush.

TORDON 225 Mixture Herbicide kills mesquite—above and below the ground. It also provides control of many other undesirable brush and weed species, such as blackbrush, pricklypear, catclaw and twisted acacia. When applied according to directions by an approved applicator, it can help you improve the quantity and quality of the forage on your range. This means you can increase livestock production—carry more animals per land unit.

Call today. Ask him to help you set up a program of brush and weed control. You'll find it will pay off in increased forage and livestock production.

NEWS FROM ...

McCaulley

By Mrs. Fred Kemp

Although we are still under tornado watch farmers are breaking land and getting ready to sow and plant. Students out of school for Easter are busy fishing, working and relaxing for these last few weeks of school. Surely will be quiet and dull about the house with

the children back in classes. Mr. and Mrs. Luther Maberry stopped by the post office on their way to their cabin on Stamford lake. Luther is improving steadily and is anxious to be outside more.

McCaulley teachers attended a Texas Community Schools In-Service Workshop meeting at Westbrook Thursday before taking their Easter Holiday.

Mrs. Janice Seiberhouse and son Jeremy of Commerce spent the weekend with Mr. and Mrs. Eldon Franklin.

Mr. and Mrs. Cecil Williams had their daughter, Sara Sloan of Irving spend the week here visiting relatives nearby and friends.

Mr. and Mrs. Don Ferguson and family of Spur and Mr. and Mrs. Kenneth Ferguson and family of Muleshoe spent Saturday and Sunday visiting Mr. and Mrs. Charles Ferguson of McCaulley.

Burl Walker Makes Bid For County Sheriff

Burl Walker of Anson has issued the following statement regarding his candidacy for Jones County Sheriff.

"I am Burl Walker your candidate for Sheriff of Jones County. Since I work six days a week, I want each of you to consider this statement as a personal visit. Not having but one day a week off I fear that I will not get to visit with everyone.

"I am a veteran of World War II with service in Europe. I am a veteran law enforcement person who has been certified by the State of Texas and has attended numerous law enforcement schools. I have had ten years experience as a Deputy Sheriff of Jones County and one and one-half years on the Anson Police force. My

ten years as a deputy were under Dave Reeves, five and one-half years, and Woodrow Simmons four and one-half years. My current employment is with Gibson's Discount Store in Abilene.

"My home is at 1120 18th Street, Anson, where I live with my wife, Valerie, and two daughters, Tara and Janet. I have two married daughters, Mrs. Linda Ellebracht, Adkin, Texas and Wanda Miller, Abilene, Texas. I am a native of Jones County who would like to make the people a working Sheriff. One that is ready and available at all times.

"If I am elected your sheriff I will hire qualified personnel only, and will enforce the laws of Jones County and the State of Texas without favoritism regardless of race, color, creed, financial or social position. Under my term, if elected, the sheriff's office will be run in a business like manner without needless waste and the funds available will be utilized to the utmost efficiency.

"Your vote and your influence will be appreciated." Burl Walker

Central Baptist Church Revival To Open Sunday

Central Baptist Church will begin a revival, Sunday morning with Rev. Alfred Altum of Abilene preaching each service. Richard Young of Hardin-Simmons University, regular music director at the church will direct the music. Jess (Bud) Adkins is the local minister.

Weekday morning services will begin at 7 a.m. and prayer service in the evening is at 7 with worship at 7:30. A nursery will be available for each service.

Everyone is invited, Rev. Adkins said.

Play Night Set In Anson Saturday

The Anson Saddle Club will host a Play Night Saturday beginning at 7:30 in the Charlie Myatt Arena. In addition to regular activities there will be calves for roping.

'Old Fashioned' Medicine Caps Still Available

"Old fashioned" medicine caps are still available for people who have difficulty opening the new child-proof caps, Mrs. Vivian Blair of College Station, a family life education specialist, says.

"Safety caps are valuable—but arthritic hands and poor eyesight are two conditions which contribute to difficulty in opening them," she noted.

Mrs. Blair specialist in aging, is with the Texas Agricultural Extension Service, The Texas A&M University System.

She explained that exceptions can be made under the Poison Prevention Packaging Act.

"If you or your physician direct that a prescription be filled in a package fitted with a conventional closure, the prescription may be packaged that way.

"But prescriptions may be filled this way only when directed by a physician or when requested by the purchaser," she added.

Linda and Vance Tabb of McCombs, grandchildren of Mr. and Mrs. Monroe Tabb, visited here last week. Accompanying them was an exchange student from West Germany, Andrea Fink. While here, Andrea attended and spoke at Hamlin High School. Mr. and Mrs. Monroe Ericson Tabb came over the weekend.

The American Cancer Society says half of all cancers could be detected in time for successful treatment. At present, one-third are being saved and more than 100,000 people will probably die of cancer who might have been saved by earlier and better treatment.

Some forms of cancer can be prevented, according to the American Cancer Society. Most lung cancers are caused by cigarette smoking, and most skin cancers by frequent overexposure to direct sunlight.
